PIZETA S.r.l.
Di Peron e Zerbato
AUTOMATIC CNC LATHES

CNC bar processing 5-11 axes, fixed
and sliding headstocks
Processable diameters from 2 to
70mm
Processing on CNC machining centres

Description: Guide bushing CW614N

- Sector: Automotive
- Material: CW614N
- Dimensions: Diameter=7; Length=9
- Most significant tolerances: ± 0.05 on minor hole
- Most significant roughness: $Ra < 1.6$ on internal groove
